WESTWELL UNNATURALLY PETULANT PET NAT 2020

Named from the tricky process of making Pet Nat, this one wouldn't play ball so some sugar and yeast was added prior to bottling. Breaking from convention with great results, we get strawberries and sherbert to taste with a crisp finish.

OASTWOOD LUNA'S BACCHUS 2023

The first wine we stocked at Winifred's, we love Oastwood's beautiful vineyard, their passion for the land and farming practices. Named after their sheepdog Luna, this Bacchus tastes like an English meadow and is a welcome bit of sunshine to see us through the Autumn weather.

WALGATE CHARDONNAY 2022

You can regularly find us propping up the bar at the Winery on a Sunday. This wine is made in Rye with 100% Chardonnay grapes from Sussex. This is a beautifully aged Chardonnay; nutty, salty and fruity. What's not to love!

DAVENPORT REDMOORS PINOT NOIR 2022

When we decided to only serve English wine we knew finding good reds would be a challenge and were very happy to find Davenport Vineyards for our red wine fix! This Pinot Noir is aged in oak which gives it a lovely subtle spice and smooths out the tannins. We get cherries, strawberries, vanilla and spice in this lovely complex red.
