MOUNTFIELD BLANC DE BLANC, 2016, East Sussex  
*Chardonnay*

This English sparkling is a favourite of Ben's, the buttery smoothness of 8 years on the lees makes for a delicious glass of bubbles. Mountfield Vineyard is 20 minutes away from Winifred's, they have extensive knowledge of sparkling wine methods and a beautiful estate, it's well worth visiting on their open days.

OASTWOOD LUNA, 2023, East Sussex  
*Bacchus*

The first wine we stocked at Winifred's, we love Oastwood's beautiful vineyard, their passion for the land and farming practices. Named after their sheepdog Luna, this Bacchus tastes like an English meadow and is a crowd pleaser for those keen for a Savvy B in the sunshine.

WESTWELL NEW ROSE, 2023, Kent  
*Pinot Noir, Pinot Meunier, Chardonnay*

This bold, fruity Rose is naturally fermented for 10 months in barrel and steel. True to Westwell's ethos on sustainability, this wine uses the second pressing of the grapes from their Pelegrim sparkling. We get tastes of Turkish Delight and stone fruits with a clean finish.

RENEGADE URBAN WINERY "LYNNE", 2021, London  
*Cabernet Sauvignon*

We were drawn to Renegade's branding then delighted to find that the quality of their wine did not disappoint. Celebrating the people of the UK, anyone can submit a photograph to be on their bottles. Lynne is a retired woman who describes herself as a diva. This Cab Sav is aged for 24 months, it has well rounded tannins and a lovely spice to finish.
